STRAWBERRY SURVEY

Thank you for raising awareness about the Gaza blockade! Here's how it works:

1. Print the PDF on 18" × 24" sturdy poster board.
2. Bring stickers or markers for people to answer the questions directly on the poster.
3. Review information on gazaunlocked.org and print copies of the handout at gazaunlocked.org/strawberry to give to people you talk with.
4. Start a conversation—at farmers' markets, Meeting, conferences, summer fairs, family reunions, or any place.
 - Let people know that you are a volunteer with AFSC.
 - Tell them that their responses are confidential, anonymous, and voluntary.
 - Anyone is free to stop participating or leave at any time.
 - Listen.
5. Ask people to mark their answers on the poster.
 - If a person has questions and comments, write them down. Whatever people say (or don't say) is ok.
 - Participants should feel free to ask questions of you before and after noting their answers on the poster.
6. Share the handout and send people to gazaunlocked.org for more information.
7. Take pictures! Share on social media, tag [@AFSC_org](https://twitter.com/AFSC_org), and use the hashtag [#GazaUnlocked](https://twitter.com/GazaUnlocked).
8. Send us the responses. Email a picture of your poster to research@afsc.org.

Thank you for your time! The posters help us assess what people know and don't know about Gaza. Your conversations help us spread awareness and information about Palestinians in Gaza that are essential to our educational efforts for peace and justice. If you have any questions, please contact Jennifer Bing at 312-427-2534.
